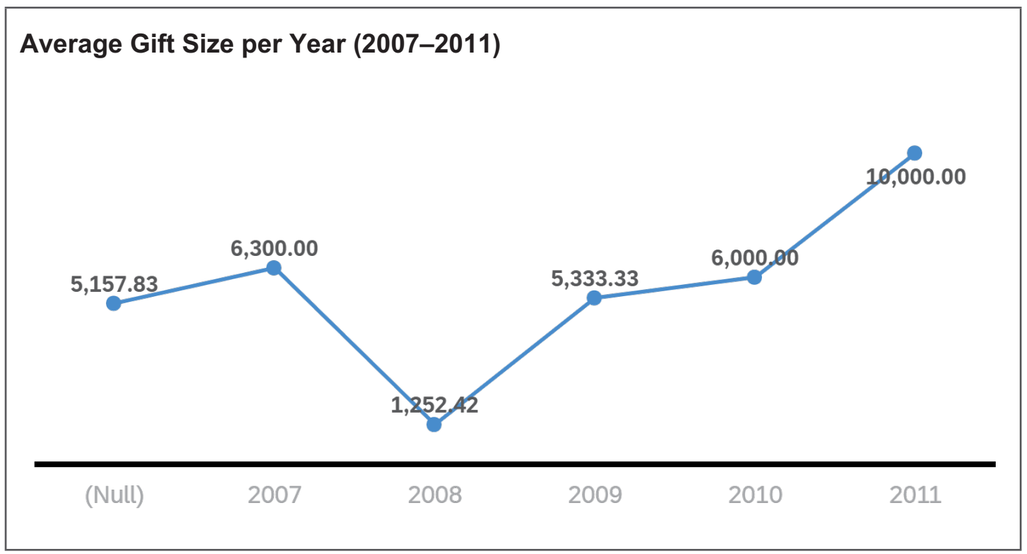
Q4: Analysis of Average Gift Size for Each Contributor Across the Years 2007 to 2011



Financial Analysis:

- The average gift size for **Accenture LLP** showed fluctuations across the years 2007 to 2011.
- In 2008, there was a notable dip in average gift size, reaching approximately **$1,252**.
- Donation amounts recovered steadily after 2008, with a peak at **$10,000** in 2011.
- The sharp increase in average gift size post-2008 reflects regained donor confidence and enhanced contribution efforts.
- The early dip suggests potential external challenges or internal fundraising strategy gaps in 2008.

- **Recommendation:** Focus on maintaining engagement strategies that worked post-2008 to ensure consistent growth in donor generosity and to avoid fluctuations in future average gift sizes.
