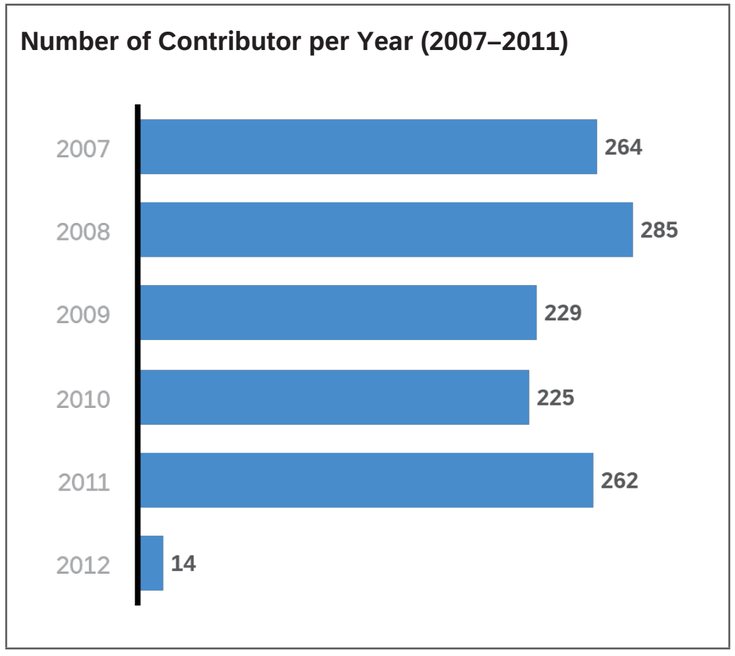
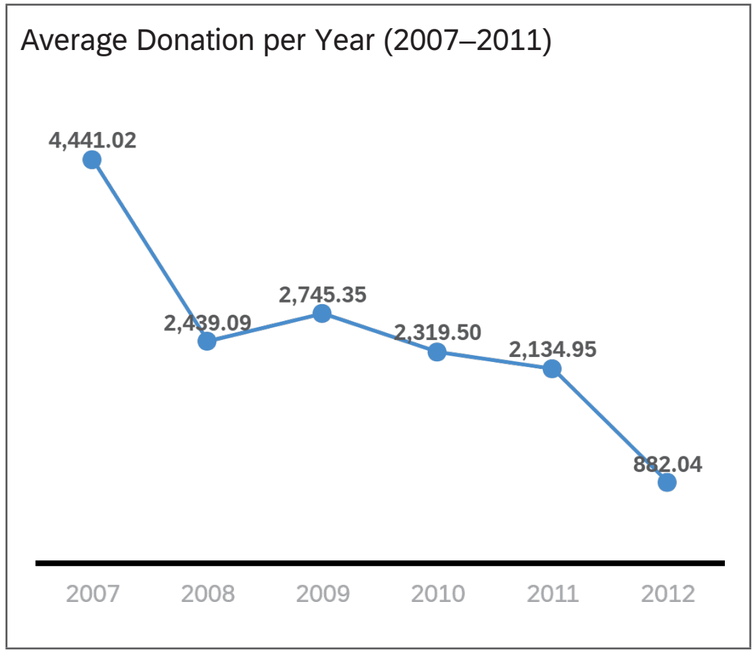
Q3: Yearly Trend Analysis of Contributors and Average Donation (2007–2011)





Financial Analysis:

- The number of contributors remained relatively stable across 2007 to 2011.
- The highest average donation amount was recorded in 2007 at $4,441.
- Average donation amounts steadily declined each year, reaching the lowest in 2011.
- Contributor participation stayed strong even when donation sizes fell.
- **Recommendation:** Focus on strategies to boost individual donation sizes while maintaining contributor engagement.

Appendix

No of Contributors and average donation per year
