Q5: Contributor donation trend based on 2011 contributions compared to 2010

Contributor Trend Based on 2011 Contributions

	Measures	Total_Contribution_2011
Contributor	**Trend**	
AMF	Up	10,500.00
Accenture LLP	Up	60,000.00
Ace American Insurance Co	Up	10,500.00
Air Management Technologies	Sideways	3,000.00

Financial Analysis:

- A majority of contributors showed an **increase** in donation amounts from 2010 to 2011, indicating improved donor engagement.
- A **few contributors** maintained **consistent donation levels**, reflected as **sideways** trends.
- A **strong upward trend** overall signals healthy and growing donor relationships year-over-year.
- **Minimal sideways trends** suggest that most contributors either increased or maintained their donation behaviors.

- **Recommendation:** Focus on **strengthening relationships** with contributors who demonstrated an upward or sideways trend.
