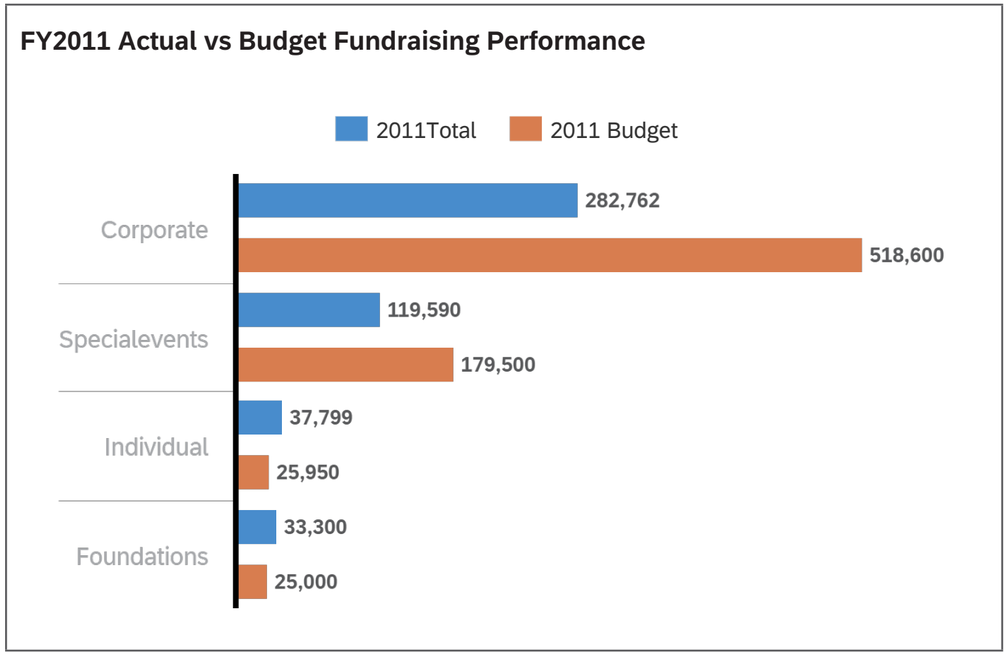
Q2: Fundraising Performance Against Budget (2011)



Financial Analysis:

- In 2011, Junior Achievement's fundraising from **individual donors** ($37,799) and **foundations** ($33,300) **exceeded** their respective budget targets ($25,950 and $25,000).
- **Corporate fundraising** ($282,762) and **special event fundraising** ($119,590) **fell below** their budgeted goals ($518,600 and $179,500).
- Overall, there is a need to **strengthen corporate engagement** and **enhance special event effectiveness** to meet future fundraising targets.
- **Recommendation:** Focus on increasing corporate sponsorship efforts and optimizing special event planning to bridge fundraising gaps.
